Health Myself Portal How To's

How do I send a message for my connected children to my clinic?

Log in to your Health Myself account.
Click the Compose New Message option.

The default setting is to compose a message about yourself, however if you already have a connected account, **you can change who the message is about.**

The screenshot shows the 'Compose a new message' form. The title is 'Compose a new message'. Below the title is the section 'Who is this conversation about?' with a blue arrow pointing to it. There are two radio button options: 'Me' (unselected) and 'Baby Boy' (selected, with a blue checkmark and a red arrow pointing to it). Below this is the section 'Select a recipient' with two radio button options: 'Reception' (selected, with a blue checkmark) and 'Dr. Jorin Lukings' (unselected). Below that is the section 'Enter a subject for this conversation' with a text input field containing the placeholder text 'Subject'. At the bottom is the 'Message' section with a large text area containing the placeholder text 'Write your message here'. At the very bottom, it says 'Remaining characters: 500'.
